HISTORY

Samuel Stephens, progenitor of the Big Sandy River branch of the family, was born 11 NOV 1801 in Russell Co., Virginia. His father was William Stephens who was born in Russell Co., Virginia and died 15 SEP 1817 in Campbell Co., Kentucky. Father of William was Thomas Stephens who died 29 AUG 1797 in Washington Co., Virginia. His will may be found in Book 2 Page 236 AUG 1791.

It is not known when Samuel arrived in Floyd county but he married Florence Patton on 26 JUL 1821. On 11 DEC 1821, Andrew Stephens married Susanna Williams. It is thought Samuel and ~~William~~ ANDREW were brothers.

Samuel claimed an entire valley and named it Stephens Branch. This creek is located near present Langley (Maytown), Kentucky. All of their 16 children lived to adulthood which is quite an achievment when you think of the lack of medical care and the difficult life that was necessary to just wrest a living from the land.

During the Civil War, virtually all Stephens supported the Confederacy. One that did not was Alexander Stephens. He joined the Union Army and served as an officer. He returned to Stephens Branch after the war but was not accepted by the rest of the family. So he left for Oklahoma and never returned to visit his family in Kentucky. He married a Miss Colvert who was a member of a prominent Choctaw family. They had a son named Samuel A. Stephens. Alexander's brother, William D., also named a son Samuel A. Stephens. Just by chance, these two first cousins met and discovered they had the same grandfather, Samuel Stephens. The Samuel A. of Oklahoma went to Stephens Branch in Floyd Co., KY to check into his father's inheritance. He was told no part was left to his father so he returned to Oklahoma. In fact, Samuel's will clearly states "one part" was left to Alexander L. Stephens. Alexander L. Stephens and his son Samuel A. are both buried at Clayton, Oklahoma.

A story that has come down the generations claims that Samuel's birth surname was Duncan. It states that Samuel was orphaned as a child and was raised by the William Stephens family and took their name. No proof has been found to support either the Stephens or Duncan name.

INTRODUCTION

Most of this data was extracted from the book THE STEPHENS FAMILY that was published by C. E. Shepard of Dayton, Ohio. This data was gathered by Henry Stephens of Prestonsburg, KY and his son Edgar P. Stephens and was published as a series of articles in the FLOYD COUNTY TIMES in 1956.

THE STEPHENS FAMILY book contains names but very few dates. Dates shown in this descendant list were mostly obtained from other sources. BAILEYS OF EASTERN KENTUCKY published by the Magoffin County Historical Society in 1986 was one source of information about the Reuben Marshall Bailey family. Other dates came from the Baldridge family book published in 1985 by C. E. Shepard.

A few errors were discovered during the extraction of data from THE STEPHENS FAMILY. Most were typographical. Since no dates of birth were shown the order of children as shown probably has no relation to birth order. When birth dates became available, order of children was changed to correspond to the birth dates.

This descendant list is by no means complete. If you can supply ANY information, please write it down and send it to me. No particular format is required. Since THE STEPHENS FAMILY data was originally published in 1956, only data extracted from BAILEYS OF EASTERN KENTUCKY and the Baldridge Family books is more current.

Periodically, as more information arrives, I will print an updated list and send a copy to those that have an interest in the heritage of the Stephens family. There is no charge for any lists or information that I furnish. Can't get any better than that!

Send any corrections or additional data to:

WHO IS FATHER OF JANE (JENNIE) STEPHENS?

By Harold R. Lowder
20 FEB 1994

Samuel Stephens and Florence Patton were married on 26 JUL 1821 in Floyd County, KY.

Prior to her marriage to Samuel, Florence gave birth to a daughter, Jane. Father of Jane is not definitely known. Some of the Stephens family thought the father was a Wireman fellow. Others thought the father was Samuel. Evidence presented below seems to indicate the father was NOT Samuel.

On 9 MAY 1882, Samuel Stephens had his will written and witnessed by Reuben M. Allen, Santford Allen, and Hiram Sexton. This will lists his children in birth order except Mary was listed before John B.

STATE OF KENTUCKY, Floyd County, Court, (August, 1887, Term)

An instrument of writing purporting to be the last will and testament of Samuel Stephens, deceased, was this day produced in Court and proved by the Oaths of Reuben M. Allen and Santford Allen, two of the subscribing witnesses thereto - who also proved the signature of Hiram Sexton, the other attesting witness: thereupon it is ordered that the said instrument of writing be and the same is allowed and established as the last will and testament of said Samuel Stephens, Sr. , deceased and as such duly admitted to record. ATTEST: G. R. Dingus, Clerk.

Jane was NOT listed in the will although she was still living when the will was prepared and, in fact, outlived Samuel by three years. Since Samuel carefully listed each of his children, it is obvious he did NOT consider Jane as one of his children.

sp- Henry SHEPHERD - 5417 (1875)
Born - 19 Mar 1888 Floyd Co., KY
Mar. - 11 Feb 1909 Floyd Co., KY
Note - Parents are John E. Shepherd, Jr. and Lucinda "Kitty" Howard. John was the son of John B. Shepherd, Sr. and Sarah Hale. John B. was the son of Jacob Shepherd and Elizabeth Hale. Sarah Hale was a daughter of John Hale and Sarah (may have been Mosley). It is generally assumed that John Hale is the son of Joseph Hale who died in Patrick Co., VA in 1803. The vast majority of the Shepherd families in Floyd and Magoffin counties are descendants of either Jacob Shepherd and Elizabeth Hale or David Shepherd and Lucretia Hale. No proof exists that Jacob and David were brothers but evidence does show that their wives were sisters.
The sisters had a brother, Brice Hale, who died in Magoffin Co., KY 14 Dec 1858. This accounts for the popularity of the name, Bryson, in the Shepherd families in eastern Kentucky.
The sisters also had another sister, Polly, who married Adam Houk.

He was mugged and robbed on the way back to his father's apartment. He died later that night probably from the effort he made to prevent being robbed of his last cent.

6 - Harold Raeburn LOWDER - 1
Born - 8 Oct 1934 Bolyn, Knott Co., KY
Note - BIRTH: Born in the head of Rock Fork of Right Beaver Creek at Bolyn, Knott Co., KY. KY80 superhighway now goes up Rock Fork so the place of birth is just across the creek from this highway.
MARRIAGE: Harold and Margareth Rose Veenstra were married in the Fort Wayne Gospel Temple in Fort Wayne, Allen Co., IN on 10 JUL 1982. This church later merged with another church and the building was razed. The reception after the wedding was held at the Heritage House. This all-you-can-eat smorgasbord was enjoyed by all! Harold and Rita spent their honeymoon in Toledo, Ohio, Toronto, Canada, and Niagara Falls, Canada.
They have lived in Fort Wayne, IN since their marriage.
LAND: His first house was a lake cottage on the south side of Witmer Lake near Wolcottville, Lagrange Co., IN. He did a great deal of maintenance to the house and grounds before selling it in 1978. He then bought a house at 3008 North Anthony Blvd., Fort Wayne, Allen Co., IN in OCT 1978. This is in the Paramount Subdivision. It is a three story red brick house that was built in 1930-31.
MILITARY: Harold was drafted into the US Army on 10 MAY 1957. He was processed through the Chicago Processing Center and was sent to Fort Leonard Wood, MO for assignment. Two weeks later he was sent to Fort Hood, TX where he was assigned to A Company of the 51st Infantry of the 4th Armored Division. He went through basic training and company supply school at Fort Hood, TX. In OCT 1957, he and the entire 4th Armored Division were reassigned to southern Germany. His batallion was assigned to Ulm an die Donau where he served the remainder of his service. He was discharged 11 FEB 1959 at Fort Sheridan, IL. He attained the rank of Specialist 4th Class (same pay scale as corporal).
OCCUPATION: Harold obtained an associate degree in Professional Accounting at International College, Fort Wayne, IN in AUG 1954. In 1963, he attended several IBM schools and was given the additional duties of IBM 1440 computer programmer. He designed and wrote programs for several systems. He then went to Joslyn Stainless Steels in Fort Wayne, IN and spent 18 months there working as a programmer. In 1967, he went to the Indianapolis Hospital Development Association (IHDA) and worked as a programmer for one year. In 1968, he went back to McCray as a programmer and worked for several months until he accepted a job as computer programmer with Lyall Electric, Inc. at Albion, Noble Co., IN. He designed several systems and wrote the programs required to install the systems. After almost nine years, he went to Magnavox Electronic Systems Co. in Fort Wayne, AllenCo., IN where he worked until his retirement 1 MAY 1991. While at Magnavox, he was a programmer, senior system analyst, development manager, and manager of production support. All in all, an interesting career!
SPORTS: He was always an avid sports fan but never played any organized sports until 1961 when he started playing golf and signed up for a bowling league. Bowling became his main sports interest and after much practice reached 200 pins a game average in 1971. His high season averages are 216 in 1994-95 and 215 in 1998-99 and 2002-2003.
